Dear Members of CASE,

On behalf of the Council of Asian Science Editors (CASE), we would like to welcome you to the 7th Asian Science Editors' Conference & Workshop 2022.

The conference will help editors to promote scientific journals from not only in Malaysia but also in Asian countries and around the world to the international level as its theme is how to add local scientific journals to international databases.

With your active participation and support, this conference will be a truly memorable event for all delegates and guests. Thank you very much.
