Foundation Background (1)

Korean journals registered in *National Research Foundation of Korea*

Class	Hum	Soc	Sci.	Eng.	Med.	Agri. Fish.	Arts	Others	Total
KCI	455	589	103	206	178	62	87	54	1,734
KCIE	74	140	10	21	57	7	33	15	357
Total	529	729	113	227	235	69	120	69	2,091

National Research Foundation of Korea, June, 2014

940 academic societies publish **540 journals**

Korean Journals index database

69 SCIE journals in June 2011 (108 in 2015)

Foundation Background (2)

- Many difficulties in achieving the status of and maintaining world-class journals because of financial hardship, **lack of professional editors**, and others
- Many journals are published without proper **formatting and style.**
- Many journals fall behind international journals in terms of **networks and indexing database.**

Foundation of KCSE (Sep. 2011)

KCSE: Korean Council of Science Editors

- Office at The Korea Science & Technology Center, Seoul

14th, July 2011

About 100 editors at the inauguration meeting.

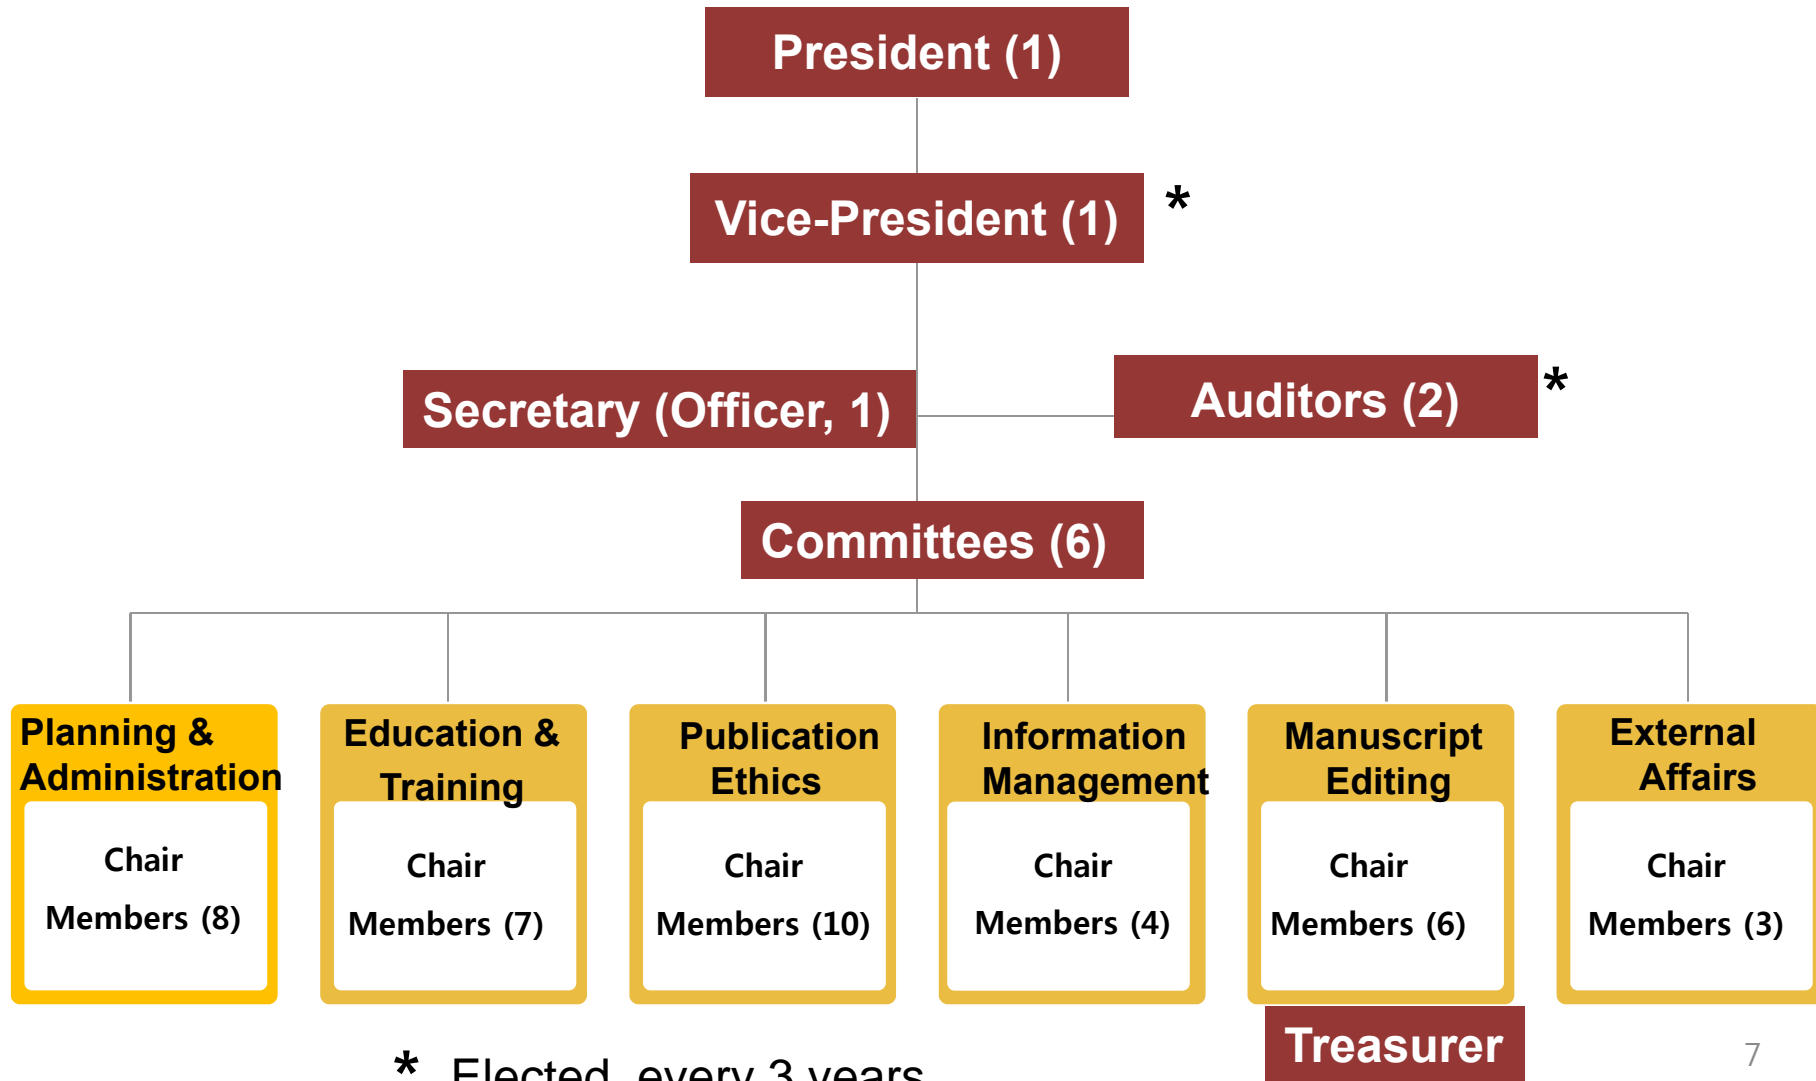

21 Sep. 2011

2nd June 2011, 1st Organization meeting
14th July 2011, Promotion meeting
21st Sept. 2011, Inauguration meeting

Objective of KCSE

- To improve ***the quality of science journals*** published in Korea by providing advanced know-hows on editing
- To exchange ***the information about editing and publishing*** science journals
- To contribute to ***the development of science***

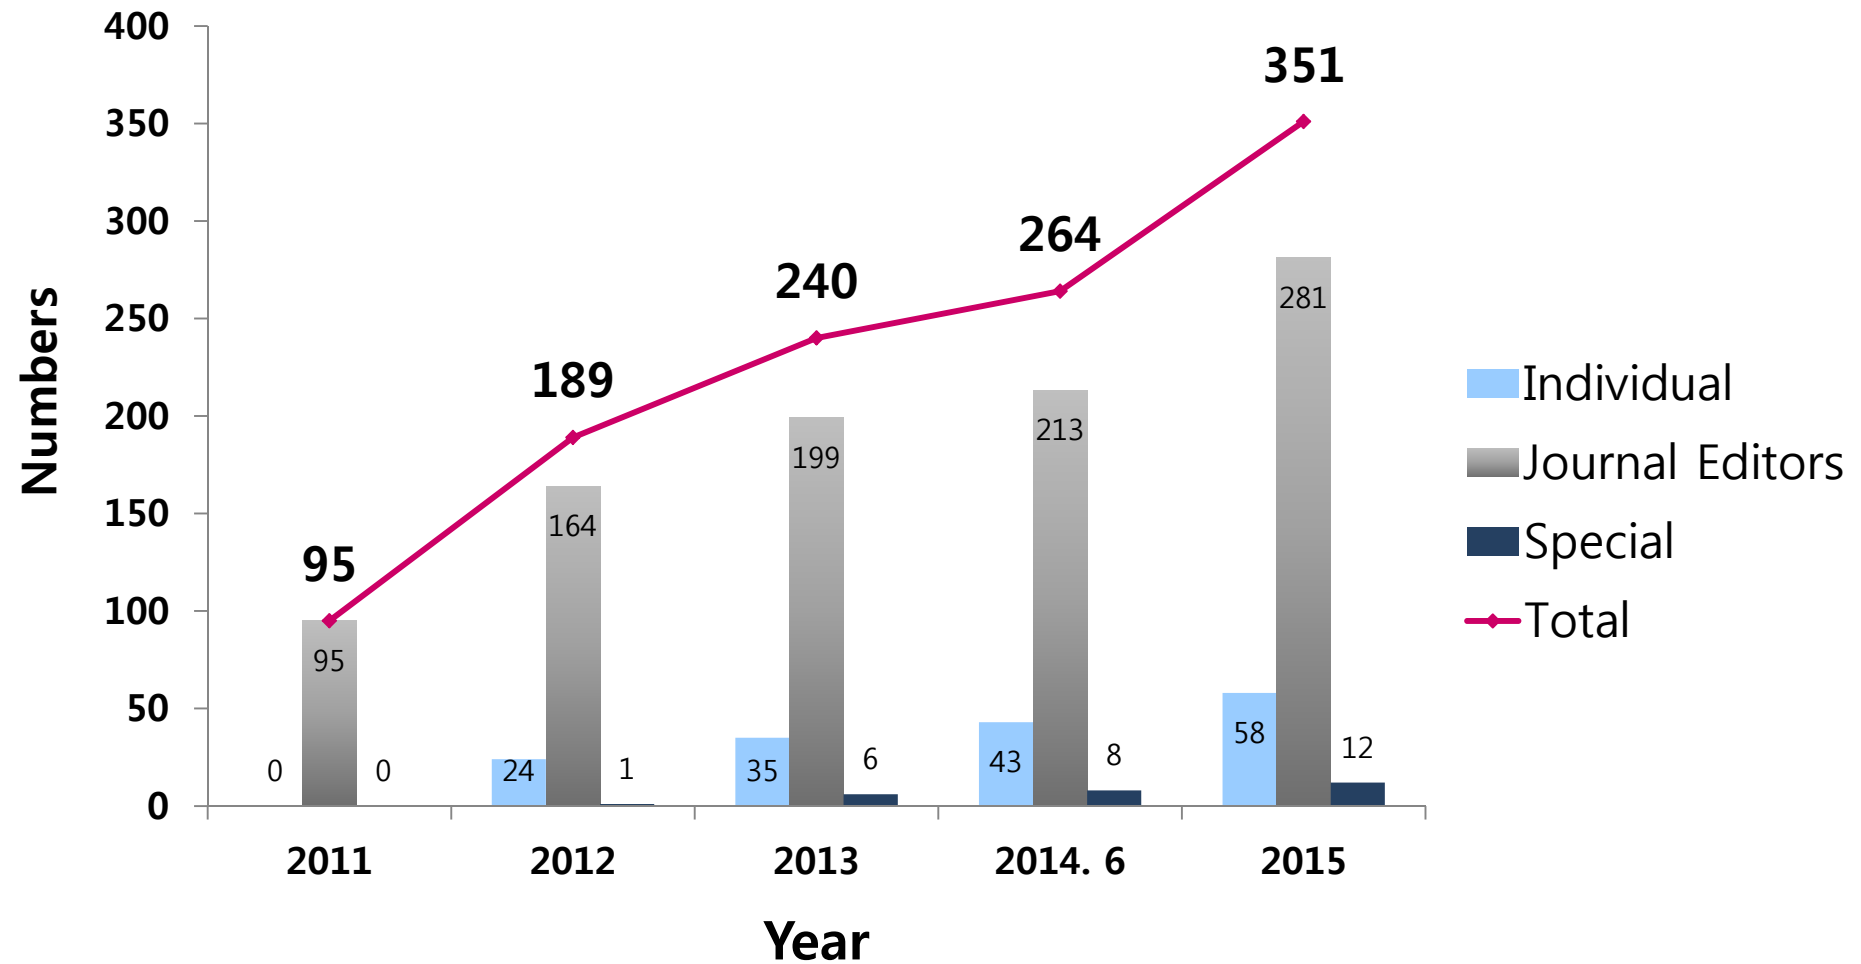

Organization

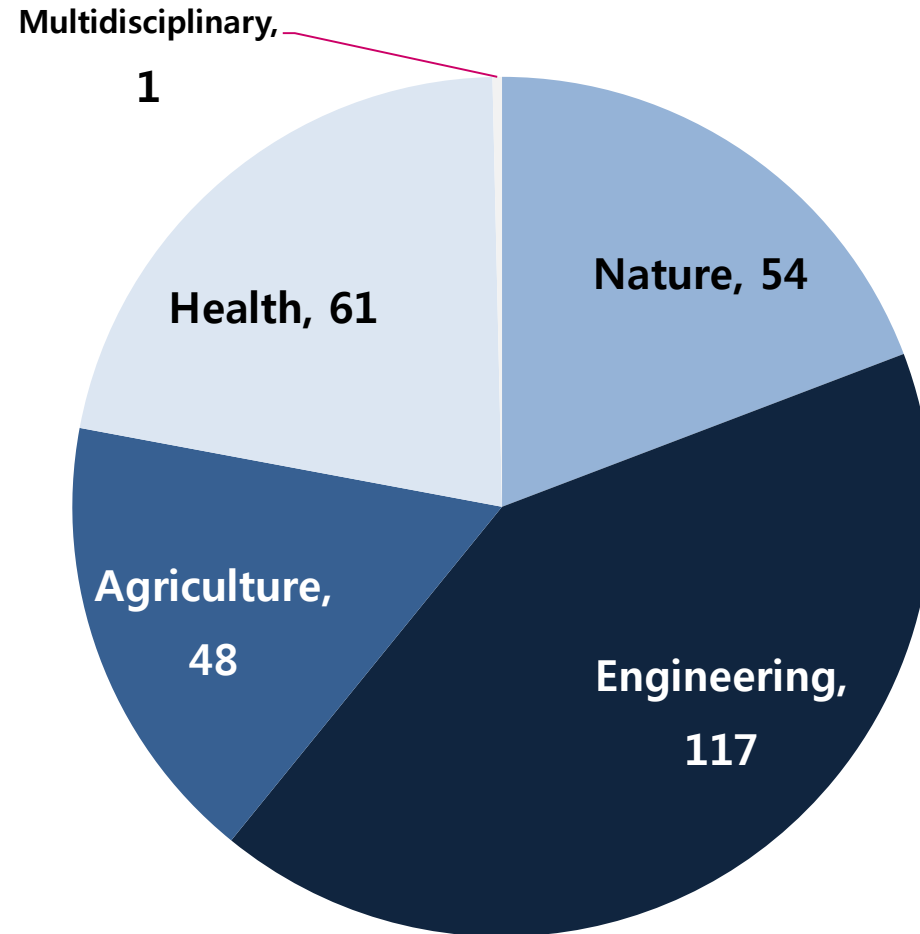

Membership Category

- 1. Organizational members**, including academic societies that publish scientific journals, and universities and other publishing organizations.
- 2. Individual members** who have experience in editing scientific journals or are experts in their respective fields.
- 3. Special members** include corporates and institutes that are in accord with the KCSE's objective and that can contribute to the operation and growth of the council through their support.

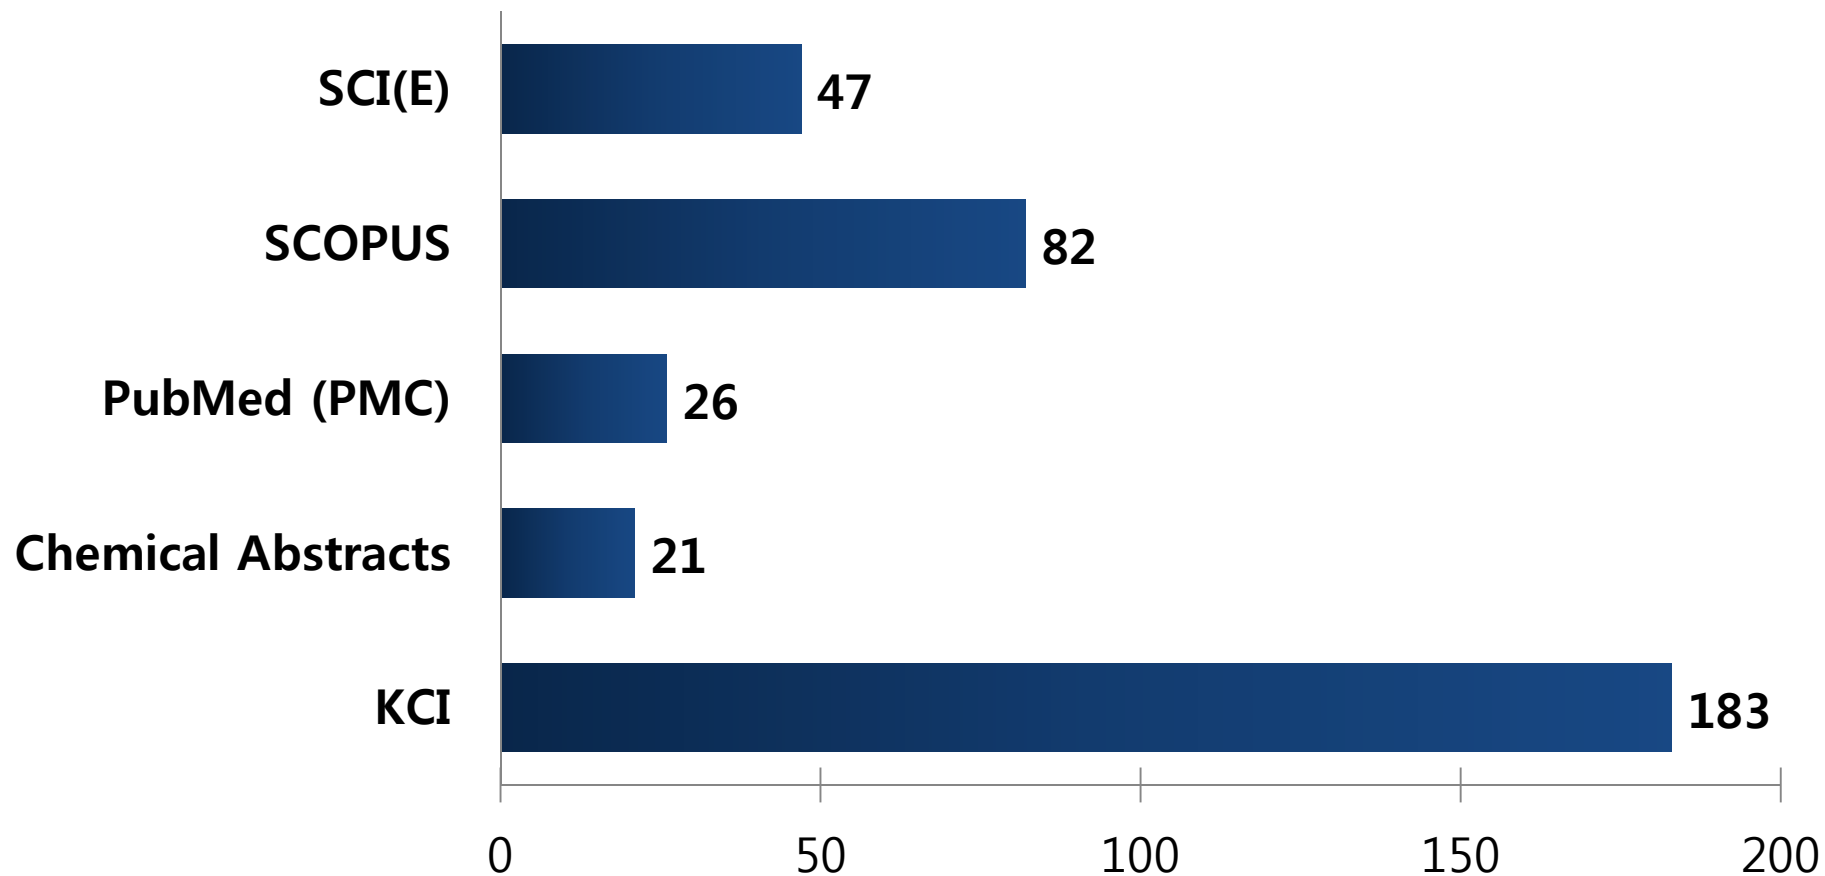

Members

2015. 8. 4

Number of Journals (KCSE members) Indexed in Databases

Total journals=213

- **Publication**
 - Newsletter
 - Science Editing (English J.)

- **Workshops**
 - Advanced manuscript editing
 - Editors workshop
 - Ethics workshop
 - Ethics forum
 - Irregular seminar

- **Annual meeting and conference**
