

The 8th Asian Science Editors'
Conference and Workshop 2024

Call for Poster Presentation

At this conference, we will reflect on the evolution of Asian scientific journals over the last decade and discuss future directions. We will also deal with all aspects of scientific journal editing and publishing.

• Topics:

- Policy of journal editing
- Systematic reviews on journal publishing and editing
- Publication ethics
- Legal issues in journal publishing
- Peer review process
- Advanced information technology applicable to journal editing and publishing
- Education and training of editors, reviewers, and authors
- Bibliometrics and scientometrics in the context of journal editing and publishing
- Finances of journal publishing
- History of scholarly journals
- Open access and public access approaches
- Others

• Important Dates:

Abstract Submission Deadline: May 31

Notification of Acceptance: June 15

Submission of Final Poster: June 28
